2003-2004 Trumpet and Brass Programs

This is the fifteenth annual compilation of programs submitted by members of the International Trumpet Guild. From 1976 through 1989, programs were listed within the *Journal* itself. Because of the ever-increasing response, an annual volume was created in 1990. This current publication covers the 2003 – 2004 academic year. It represents approximately 300 separate programs received from 5 countries, and 28 states and the District of Columbia within the USA. *A Review of the Year's Programs* on page 30 lists the most frequently performed selections.

ITG members are invited to send programs for next year's recent programs book. Programs submitted should adhere to the following guidelines:

1. All programs or listings must include:
 - a. Name of the player or ensemble
 - b. Location of the performance (concert site, city and state, and country if outside the U.S.)
 - c. Date of the performance
 - d. Type of program:
 - 1) Guest appearance/performance (with an ensemble)
 - 2) Faculty/professional recital
 - 3) Graduate student recital (include level: master's or doctoral)
 - 4) Student or other recital
 - 5) Brass quintet program
 - 6) Brass ensemble or trumpet ensemble program
2. Cross off those items on the program that do not involve trumpet (*i.e.*, organ solos, etc.). Be as specific as possible with titles of pieces (*e.g.*, Telemann *Concerto in D with Two Oboes and Strings* rather than *Telemann Concerto in D*).
3. If teachers submit programs of students, the students must be members of ITG. Programs cannot be returned. The editor reserves the right to include only recent programs, and to print only representative programs if a large number of similar programs are sent. Failure to include any of the information listed above may prevent the listing of a program. **Do not** include performances of works within a larger, non-musical event (*e.g.*, a wedding or church service) or large ensemble participation, regardless of the level of involvement by the trumpet (*e.g.*, off-stage solo in *Pines of Rome*).
4. Please continue to send programs as soon as possible. The deadline for next year's booklet is **June 20, 2005**. Programs received after this date will be included in the succeeding volume.
5. Send programs to:

A Review of the Year's Programs

The following is a list of those works performed most often by members of the International Trumpet Guild during 2003 – 2004 as determined by the programs submitted. Each piece listed was performed two or more times, as indicated, by different performers. Multiple performances of a given work by the same player(s) were omitted.

Included without indication are fractional performances of larger works (e.g., *Selections from "West Side Story Suite"* listed within *West Side Story Suite*). Different arrangements of the same composition are given individual consideration (the Gale arrangement of Lew Pollack's *That's a Plenty* vs. the Cooper arrangement) when that information has been supplied.
