1997-1998 Trumpet and Brass Programs

This is the ninth annual compilation of programs submitted by members of the International Trumpet Guild. From 1976 through 1989 programs were listed in *ITG Journal*. Because of the ever-increasing response, an annual volume was created in 1990. This current publication covers the 1997-98 academic year and represents almost 450 separate programs received from 23 countries and 35 states and the District of Columbia within the U.S. A Review of the Year's Programs on page 29 lists the most frequently-performed selections.

ITG members are invited to send programs for next year's recent programs book. Programs submitted should adhere to the following guidelines:

1. All programs or listings must include:
 - a. Name of the player or ensemble
 - b. Location of the performance (concert site, city and state, and country if outside the U. S.)
 - c. Date of the performance
 - d. Type of program:
 - 1) Guest appearance/performance
 - 2) Faculty/professional recital
 - 3) Graduate student recital (include level: master's or doctoral)
 - 4) Student or other recital
 - 5) Brass quintet program
 - 6) Brass ensemble or trumpet ensemble program
2. Cross off items on the program that do not involve trumpet (i.e., organ solos, etc.). Be as specific as possible with titles of pieces (i.e., Telemann *Concerto in D with Two Oboes and Strings* instead of *Telemann Concerto in D*).
3. If teachers submit programs of students, the students must be members of ITG. Programs cannot be returned. The editor reserves the right to include only recent programs and to print only representative programs if a large number of similar programs are sent. Failure to include any of the information listed above may prevent the listing of a program. Do not include performances of works within a larger, non-musical event (i.e., a wedding or church service) or large ensemble participation, regardless of the level of involvement by the trumpet (i.e., off-stage solo in *Pines of Rome*).
4. Please send programs as soon as possible. The deadline for next year's booklet is **June 20, 1999**. Programs received after this date will be included in the succeeding volume.
5. Send programs to:

A Review of the Year’s Programs

The following is a list of works performed most often by members of the International Trumpet Guild during 1997-98 as determined by the programs submitted. Each piece listed was performed two or more times, as indicated, by different performers. Multiple performances of a given work by the same player(s) were omitted.

Included without indication are fractional performances of larger works (i.e., *Selections from “West Side Story Suite”* listed within *West Side Story Suite*). Different arrangements of the same composition are given individual consideration (the Gale arrangement of Lew Pollack’s *That’s a Plenty* vs. the Cooper arrangement) when that information has been supplied.
